

# YOUR DONATIONS MAKE A DIFFERENCE

With every dollar raised, you are helping the **American Cancer Society** be there for those affected by every cancer in every community, including those who are currently dealing with a cancer diagnosis, those who may face a diagnosis in the future, and those who may avoid a diagnosis altogether because of education and risk reduction.

**LODGING - \$500** could help provide a cancer patient and their caregiver with five nights of free lodging at an American Cancer Society Hope Lodge® community when their best hope for effective treatment is away from home.

**NAVIGATION - \$150** could help connect a trained patient navigator to a cancer patient so they can understand their diagnosis and get the help they need.

**SUPPORT - \$100** could help provide a breast cancer patient with one-on-one peer support from a trained volunteer breast cancer survivor.

**RIDES - \$50** could help provide five rides to and from treatment for a cancer patient.

**RESEARCH - \$35** could help support three years of follow-up for one participant enrolled in our Cancer Prevention Study-3, a research study that will help us better understand what causes cancer so that we can ultimately help prevent it.

**INFORMATION - \$25** could help provide free 24-hour information and support for one person via phone, email, and online chats.
