

# 12TH ANNUAL AMERICAN CANCER SOCIETY PAN OHIO HOPE RIDE

328 MILES. CINCINNATI. COLUMBUS. CLEVELAND.

Greetings Pan Ohio Hope Riders,

The Pan Ohio Hope Ride central Ohio committee has prepared the below lists of POHR group rides and local cycling events to help you train and prepare for this year's Pan Ohio Hope Ride.

*These group rides are informal rides. The purpose is for POHR riders to get to know one another and to practice group riding.*

- *These rides are not associated with or sponsored by the American Cancer Society or the Pan Ohio Hope Ride. These rides are volunteer led and supported. American Cancer Society staff will not be present or provide ride support at any POHR Group Ride. Riders are responsible for their own hydration, nutrition and bike maintenance.*
- *Riders ride at their own risk.*
- *Helmets and bike lights are required.*
- *Rides are weather permitting. Notices for cancellations due to weather WILL NOT be sent. Use your own judgment if the weather looks unsafe.*
- *Start/Finish locations and start times will be sent prior to the rides.*
- *When possible, GPS links will be sent prior to the ride.*

*For the charity and other local events: POHR and ACS are not affiliated with these rides, they are listed in case you want additional training opportunities.*

- *There will be no coordinated effort for POHR riders for these events.*
- *We will not meet at a specific time and place.*
- *Riders are subject to the rules and conditions of the charity event or other local ride.*
- *You are responsible for your own registration fees and fundraising requirements for these events.*

***Make sure to wear your Pan Ohio Hope Ride gear, it's a great opportunity for awareness and recruitment!***

**Questions? Contact Maggie Walters—[Maggie.walters@cancer.org](mailto:Maggie.walters@cancer.org) or 888-227-6446 X 8602**
