TENT RENTAL FAQs

How much is renting a tent through the American Cancer Society?

Tent rental is \$100 per tent. You will also have the option to reserve multiple tables for \$8 per table, and multiple chairs for \$2 per chair.

Am I allowed to bring my own tent?

Due to safety restrictions, participants are not allowed to bring their own tents. All tents for the 2017 event will need to be reserved through the American Cancer Society vendor.

Can I reserve tables and chairs?

Yes, the tent rental link will allow you to secure tables and chairs to use in your team tent. All tables and chairs will be in your tent the morning of Walk & Roll Chicago.

How do I pay?

The tent rental link will sum your total order of tents and furniture and you will be required to pay by credit card at the time you secure your tent. The tent rental link is secure and managed by the American Cancer Society. Your credit card information will not be stored.

Where will my tent be?

A site map which indicates the location of your team tent will be provided to all team captains prior to the event. Tent spaces will be filled on a first come, first serve basis. We do have a limited number of spots available, and team tent locations will be assigned by ACS staff.

Do I have to set up my own tent?

All reserved tents will be set up for you the morning of Walk & Roll Chicago!

When do I have to reserve my tent?

The deadline for reserving tent space is Friday, April 7, 2017, although our spaces could sell out before then. We will do our best to update the number of spots that are still available through email communications and social media.
